RESPONSE TO OFFICE ACTION DATED JUNE 10, 1994

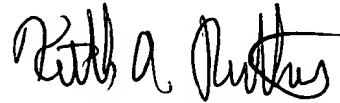

Commissioner of Patents & Trademarks
Washington, D.C. 20231

Dear Sir:

The Examiner, in an Office Action mailed June 10, 1994, rejected claims 25-36 under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-84 of U.S. Patent No. 5,029,183. Included with this response is a terminal disclaimer to obviate the double patenting rejection, as well as a certificate under 37 C.F.R. § 3.73(b) confirming ownership by the assignee. This response is also accompanied by a petition for a three-month extension of time.

Applicant respectfully submits that the captioned application is now in order for allowance.

Respectfully submitted,

Keith A. Rutherford
